We recently received the donation of a Mission Play poster advertising the play as in its eighth year of presentation in the year 1919. The poster is currently at The Huntington Library for renovating so that it can be properly displayed. We are advised that this work will take two to three months. Upon its return we are planning a special display of artifacts of the Mission Play. Any of you that have items from the early Mission Plays that you would like to loan the SGHA for the display being planned please get in touch with us by calling me, Bill Williams at 626.282.0749.

We have a number of items from the play currently in our museum. Old programs, pictures can help to round out our display.

Currently we have an "Old Fashioned" Christmas Tree with original ornaments from the Hayes family on display in the Hayes House. This display will be up thru Saturday, January 3, 2009. The museum and the Hayes House will be open that day, 1:00 PM to 4:00 PM.

Our next general membership meeting will be Monday, January 12, 2009. This meeting will feature our Lasagna Dinner. We will have the election of officers and trustees to the board and their installation. Elsewhere in the newsletter you will find information on the lasagna dinner and our speaker of the evening.

I am pleased to say we are getting the 2009 memberships coming in. If you have not sent in your dues for 2009 now is the time to do so. If you know of some one interested in San Gabriel History tell them about the SGHA and bring them to the dinner.

Bill Williams, SGHA President
